Due to Covid restrictions, *Awake* will not be able to visit the children's homes and elderly in Portugal this Christmas. Thankfully, some of Awake's partners in Portugal, have agreed to source Christmas presents for the children in Portugal, and to deliver them.

If you would like to make a contribution towards the purchase of these gifts, please place your donations in an envelope marked "Awake" and also with your WFO number, and place it in the collection plates at the doors of the church and church hall. Donations will be gratefully received before the end of November.

Mission envelopes for Nov & December support Mark Loney, Acre/ Portugal.

Leave your monetary gifts for Belfast City Mission's Christmas Appeal on the offering plate during November.
