Update regarding church meetings - January 2021.

On Thursday (7th January 2021) the Northern Ireland Executive's 'Faith Leaders' Forum' was convened by Junior Ministers, Gordon Lyons MLA and Declan Kearney MLA. In light of the advice that church leaders and other faith leaders received during the meeting from Dr Michael McBride, the Chief Medical Officer (CMO), and Professor Ian Young, Chief Scientific Advisor (CSA), regarding the worsening Coronavirus situation, the Presbyterian Church in Ireland (PCI) has decided that all in person Sunday gatherings for worship, along with most other in person church gatherings, should cease in all PCI congregations from midnight 7th January until Saturday, 6 February 2021 - with the exception of weddings, funerals, arrangements for recording and/or live-streaming, drive-in services and private prayer (as permitted by regulations).

The situation will be reviewed in late January.
