As you will be aware, on the 21<sup>st</sup> January the Northern Ireland Executive took the unanimous decision to extend the current Covid-19 restrictions until Friday 5<sup>th</sup> March 2021. This decision was based on the strong recommendation of the Chief Medical Officer and the Chief Scientific Advisor, as a result of the continued extremely high level of transmission of the Covid-19 virus throughout the community, along with the increasing numbers in hospital and intensive care.

In the light of this decision, and on the basis of the clear and unequivocal public health advice that people should continue to *stay at home*, all in person Sunday gatherings for worship, along with all other in person church gatherings, will remain suspended in all PCI congregations in Northern Ireland until Friday 5<sup>th</sup> March 2021 - with the exception of weddings, funerals, arrangements for recording and/or live-streaming, drive-in services and private prayer (as permitted by regulations).
